#### **New Horizons Integrated Learning® Combines Multiple Learning Methods for More Effective Results**

New Horizons will bring immediate value to your organization through our Integrated Learning approach, which encompasses more than just "taking a class." It's a complete method of training, reinforcing, supporting and validating learning through flexible delivery options including Classroom Learning, Online LIVE Learning, Online ANYTIME Learning, and Mentored Learning.

Our learning solution has the ability to assess the skills of individuals before and after class and provides post-class resources to increase knowledge retention, thereby offering a better return on your investment of time and money. Students have access to electronic courseware and Online ANYTIME tutorials, vLabs featuring hands-on experience with real equipment, practice exams, our online interactive technical reference library and more. And, don't forget, courses may be retaken for up to six months from the original class date, absolutely free.

#### **Learn from the Leader**

With over 20 years experience, more than 250 training centers in over 50 countries and over 2,200 instructors, New Horizons is the world leader in computer training.
